### **Pathfinder Career Academy Supports National Suicide Prevention**

Pathfinder Career Academy of Ohio is committed to the social-emotional and mental health of its students, families, and staff. We encourage anyone experiencing mental health or addiction to seek help and support.

Beginning July 16, 2022, the National Suicide Prevention Lifeline (1-800-273-8255) transitioned to the 988 Suicide & Crisis Lifeline. Ohioans experiencing a mental health or addiction crisis, and their family members, can call, chat, or text the number 988 to reach a trained counselor who can offer help and support.

For more information, you can follow the links listed below:

Additionally, Pathfinder Career Academy leadership proactively seeks to align with agencies local to our students throughout Ohio to help support students' mental health, social-emotional well-being, and resiliency development. Please do not hesitate to contact us for any questions or concerns as we seek to partner with students, families, and community agencies to help our students achieve their high school diploma and employment goals.

Marinise Harris, Head of School, Pathfinder Career Academy of Ohio
