

## Student Wellness and Success Funds

Pathfinder Career Academy plans to use Student Wellness and Success Funds to prioritize students' physical and mental health needs through the following initiatives:

### Mental Health Services

Partnering with [Beyond Healthcare in Ohio](#) to provide virtual and in person holistic mental health support to Pathfinder students, equipping your individuals with the skills they need to manage and overcome any mental health conditions. Beyond Healthcare will coordinate with school counseling staff to develop personalized programming for SY24-25.

### Before and After School Programming

Pathfinder plans to partner with [Just Keep Living](#) to implement an after-school fitness and wellness program for SY24-25. The Just Keep Livin Program focuses on fitness, nutrition, wellness, and community service; meeting students at a critical time and empowering them to make healthy choices for a better future.
