February Newsletter

**Pathfinder Career
Academy of Ohio**

As we stepped into February, our students and staff embraced the month with kindness, gratitude, and a positive spirit! This is a time to celebrate friendships, spread encouragement, and lift each other up. Whether it's through a simple smile, a kind word, or a helping hand, every small act of positivity makes a big difference. Our student clubs have allowed for a great opportunity to come together as one to connect on similar interests, values and initiatives! Let's make this next month one filled with joy, growth, and inspiration. Keep up the great work!

“February is the border between winter & spring.”
